It has been a hot and humid summer filled with mid-day rain showers and late night thunderstorms. Our center has been busy with picnics, walks and fun painting activities.

They also said goodbye to Aubrey who moved up to the Peach Room. Miss Katrina took some time off last month for her wedding on July 24th. Congratulations! On the 27th, the babies enjoyed a swimming activity with Lily's little swimming pool from home. They had so much fun!

The Peach Room welcomed Aubrey who moved up from the Infant Room and Kai, who is Evan's little brother. They said goodbye to Logan and Isaac who moved up to the Yellow Room. Last month Preston and Mattie let us borrow their picnic table for

Picnic Week. During that week, the children brought a sack lunch and had a picnic. Thank you Preston and Mattie!

The Yellow Room welcomed Logan and Isaac who moved up from the Peach Room. This month they will talk about camping and learn about different forest animals. They will also do a splatter painting activity. Miss Caitlin and Miss Brittany are requesting that parents bring an old oversized t-shirt for messy art activities.

The Green Room said goodbye to Payton who moved up to the Blue Room. Miss Pam and Miss Irma brought summer fruits in for various activities in July. The children helped cut up different fruits for their fruit salads and smoothies. This month they will taste test apples and graph which color apple is their favorite.
