We Love Our Daddies!

Dad, your guiding hand on my shoulder will remain with me forever. ~Author Unknown

Peach room had a great time celebrating mother's day. They made "my mom" posters to display on their classroom bulletin board. They also talked about the zoo, and made giraffes, lions, and hippos for art. This month they will be learning about different nursery rhymes.

Last month the Yellow Room made many gifts for mother's day. They enjoyed a class trip to the Children's Zoo on May 20th. This was a great field trip to review with the children the animals they learned about. In June they will enjoy letting daddy's know how much they love them. They will also talk about manners, and practice using them.

In May the Green Room learned about plants. They had a good time making

s'more treats and taking a nap in their sleeping bags. This month, they will begin to have sprinkler days every Friday. The children will need to have a bag with a swimsuit and towel. Their names should be on their belongings so they will not be confused with others. For fathers day they will make gifts and talk about how special dad's are.

Blue Room wants to thank everyone who came to Mom's and Muffins! The kids were really excited about it and had a good time. They are looking forward to Dad's and Donuts on Friday, June 17th. During picnic week the class will be walking to Roper Park to play and eat lunch. The class will be starting sprinkle day on Wednesday, June 22. Remember to bring towels with you child's name on it. The class looks forward to a fun summer!
