

### Our Philosophy:

Children benefit most from being in an environment that promotes learning. All children have certain needs that must be met if they are to grow and learn at their best. At Kelly's Kids, our teachers see your child(ren) as an individual, and strive to provide hands-on learning and quality care, regardless of their individual needs. We will accommodate children of all races, genders, cultures, religions, and abilities in an effort to serve children best, without discrimination or prejudice.

### Our Staff:

All our staff, whether full or part time, are experienced educators in early childhood education. Each staff member is certified in First Aid and CPR to ensure the safety of your child(ren). Our professional cooks are experienced in the preparation of nutritious meals designed to promote healthy eating habits. All staff are trained in the procedures and policies of our center. Staff love being with children and working together in cooperation with teachers and families. The goal of all staff is to provide a loving, safe, nurturing, clean, and caring environment where your child(ren) can learn and grow.

### Our Facility:

Kelly's Kids Learning and Development Center is a brand new building designed specifically for the purpose of caring for children in northwest Lincoln. The hallways, classrooms, bathrooms and cafeteria are all designed to fit the unique needs of children. A large outdoor play area with natural grass, not gravel, provides plenty of room to run and a variety of play structure activities. We believe that kids thrive on fresh air and exercise. All toys and materials are brand-new, age-appropriate, and lead-free. Safety is a number one priority at Kelly's Kids. Each classroom features monitoring cameras and observation windows in interior walls. Kelly's Kids is a secure facility with a front-door, locking keypad, and a computer monitored check-in and check-out station. The center includes a cafeteria and a kitchen where healthy meals and snacks are prepared daily for children and staff.

### Our Hours:

Kelly's Kids is open Monday thru Friday from 7:00am – 6:00pm.

We will be closed on all major holidays and are closed due to inclement weather if LPS is closed.

Quality individualized and licensed  
child care programs for children  
ages 6 weeks  
to 5 years

### Our Mission:

The mission of Kelly's Kids Learning and Development Center is to provide an enriching environment for children to learn through real-life, hands-on experiences in a safe and loving atmosphere. At Kelly's Kids, we recognize that each child is an individual, and learns at his/her level and in many ways.

## Our Programs:

### Infants

(6 weeks–12 months)

Infants are very dependent on adults to take care of all of their needs, and there is a large amount of time that a caregiver will spend

one-on-one in an infant classroom feeding, diapering, changing clothes, and cleaning an infant. Our teachers strive to create an atmosphere that promotes safety, is developmentally and age appropriate, comfortable, caring, and loving in order to ensure that your infant will have the best experience possible. All toys are developmentally and age appropriate, and placed at their eye level so that they can choose toys easily and learn some independence.

### Toddlers

(12 months to 2 1/2 years)

Toddlers are beginning to learn independence, but still rely a great deal on adults for assisting them with their

needs. Our teachers promote a safe, positive, developmentally and age appropriate environment for your toddler to grow and learn. Our toddler classroom is set up in learning centers, and includes a curriculum designed for toddlers that teachers will incorporate into daily activities. Teachers will work with toddlers one-on-one throughout their day, and also when they are ready to learn potty-training skills in a positive and caring manner.

### Preschool (2 1/2 to 4 years) and

### Pre-Kindergarten (4 and 5 years)

Preschool / pre-kindergarten children are curious about the world around them, and have an eagerness to explore it. They are beginning to learn methods of self-control, how to follow rules, and learn what is expected of them. They also have a great capacity to learn language, basic math skills, basic science principles, concepts, and about themselves! They are beginning to consider the feelings of others, and are becoming more in tune with who they are in the world around them, and what their role is as an individual.

Our preschool / pre-kindergarten classrooms include an environment specifically planned for this age group with developmentally and age appropriate learning centers that will interest them, and a curriculum designed for preschoolers that our teachers will incorporate into daily activities.

### Tuition:

Tuition rates are based on the ratios of child to teacher. They are given in weekly rates; however, they will be billed bi-weekly.

Infants (6 wks – 12 months) \$200.00/wk.

Young Toddlers (1 - 2 years) \$190.00/wk.

Toddlers (2 - 3 years) \$180.00/wk.

Preschool (3 years) \$170.00/wk.

Pre-Kindergarten (4 - 5 years) \$165.00/wk.

Parents with more than one child enrolled at our center will receive a 10 % discount off the tuition of the oldest child.

### Enrollment:

Please call for a tour of our center, and ask for the Director, Kelly Morris. On the tour, the director can give you information about the center and answer any questions that you may have. Enrollment forms must be completed for each child prior to their first day at the center. There is a non-refundable one-time enrollment fee of \$50.00 per child, which ensures holding your child's place at our center. We assure you that all information about your child and family will be kept confidential in his/her file in the director's office.
